

OTTAWA TOWN BOARD
Meeting Minutes – December 20, 2018

Chairman Rupp called the meeting of the Ottawa Town Board to order. Roll call attendance was taken, and Town Supervisors Casper, Wiedenman, and Jones were all present. Supervisor Graham was absent.

Chairman Rupp explained that she and Supervisor Jones met with representative from Ruekert and Mielke, Ken Ward and Dave Arnott, on December 17, 2018, to discuss proposed Gramling Lane culvert repairs. Supervisor Jones commented that it was evident that Ruekert & Mielke does this type of work.

Chairman Rupp and Supervisor Jones also met with representatives from Strand Engineering. Their estimate to run the project was \$80,000.00. Ruekert and Mielke's proposal was for \$40,000.00.

It was suggested that the Town add the necessary School Section Lake bridge repairs as an alternate bid when the project is bid out. Perhaps then the work would get done.

Supervisor Jones made a motion to move forward with Ruekert and Mielke on this project, to move forward with adding the alternate bid for bridge repairs, and to continue working with Craig Webster from the DNR. His motion was seconded by Supervisor Wiedenman, and carried unanimously.

Supervisor Jones made a motion to adjourn. His motion was seconded by Supervisor Casper and carried unanimously.

Respectfully submitted, Melissa M. Klein, WCMC, Clerk/Treasurer, Town of Ottawa
